## ***A time to say goodbye and A time to say hello***

All the good things come to an end. As the countdown to the New Year begins, it has been a year of both joy and setbacks, nevertheless there is much that the Akshar Arbol family feels truly grateful for. As we turn over the last leaves of the year 2021, let us relive the memories that we created this year and become wiser from the experience that we have gone through.

Let us keep reminding ourselves that every year is a new opportunity to live our life to the fullest and reach a step closer towards our dream. It is time to say goodbye to all that we have left behind and say hello to all that we will be acquiring and taking forward.

Let us welcome the New year with much excitement and joy, with hopes that it would bring out the best in each of us.

## ***Oh, jingle bells, jingle bells, jingle all the way!***

We had a lovely Christmas Celebration with our students of Grades 2 to 5 on campus. While the second and third graders brought in the spirit of Christmas with their carols, our fourth graders presented a play "What would happen if Santa Claus retires?"

To celebrate the joy of giving, our wonderful parent volunteers Ms. Srividhya, Ms. Mekala, Ms. Swethambara, Ms. Neelima and Ms. Poorna taught our students to bake cupcakes and distributed them to our custodial staff.

## *Let's Cook!*

Grade 4 had La comida (Food and drinks), as one of their Units in semester 1. As part of this unit, they learnt how to read, understand and write a simple recipe. Do see one of our students making a dish and as they do, sharing the recipe, in Spanish.

## *Lights , Camera , Action!*

The Art Immersion programme is a continuous exploration where students dive into one particular art form over 9 weeks. This format gives a sense of continuity and in-depth exploration of concepts, as well as continuous progress and culminates in a final showcase.
